It is my pleasure to send this letter of recognition to celebrate the bicentennial of General and President Ulysses S. Grant. President Grant has contributed greatly to our nation and I am happy to share in the celebration and recognition of this institution of American History.

Ulysses S. Grant embodied the American spirit throughout his life. He fought for liberty and was a fierce supporter of human rights. President Grant's contributions to our nation have surely shaped the foundation of our republic.

I invite all Floridians to share in the celebration of the Ulysses S. Grant Bicentennial. I hope we will continue to educate future generations on his life and legacy. Today we remember President Grant and his principles of service to our nation.

Sincerely,

A handwritten signature in blue ink that reads "Chris Sprowls". The signature is written in a cursive, flowing style.
